

1 Project Aim

To Improve the dissemination of evidence –based recommendations by building on the work of the GRADE Working Group to develop and evaluate methods that address the targeted dissemination of guidelines

Highlights

- Milestone 1 – ‘A Selection of specific clinical topics for Phase 1’ has been completed on time. Please ask Project Office if you require a copy.
- Ethical approval for focus groups with University of Dundee staff has been granted.

Dissemination

- NICE have had a paper published online at Science Direct – ‘Introducing GRADE across the NICE clinical guideline programme’
- Arrangements have started for our International Conference in May 2014

Collaboration

- Sense About Science helped WP3 arrange a very successful Focus group in London with 10 journalists, from organisations such as: BBC News, The BMJ, Cancer Research UK and The Sun.
