

1 Project Aim

To Improve the dissemination of evidence – based recommendations by building on the work of the GRADE Working Group to develop and evaluate methods that address the targeted dissemination of guidelines

Highlights

- **WP2:** Approximately 50% of Advisory Board has completed a feedback questionnaire about the framework for going from evidence to coverage decision.
- **WP3:** Four user tests carried out. Tools revised for future user groups (detailed findings to be reported later). Further user tests to be carried out in all parts of Scotland.
- **WP4** are half-way through their in-depth qualitative interviews of guideline developers with the expectation that this will be completed by March 2013.

Dissemination

- Our International Conference will take place 2nd – 4th June 2014 at the Royal College of Physicians in Edinburgh.
- WP2 organising workshop in Rome on 01st March 2013 for Italian policy makers and managers.
- WP3 to discuss activities and requirements in Rome (27th – 28th February)
- WP5 web pages on DECIDE website have been updated with the latest frameworks, explanations and a video explaining the evidence to recommendation framework

Collaboration

- WP5 have sent a message to their advisory group and people who have expressed an interest in WP5 informing them of the current status of work in WP5.
