

# DECIDE Round-Up July 2014

Project Aim	News
News	
<p>To improve the dissemination of evidence based recommendations by building on the work of the GRADE Working Group to develop and evaluate methods that address the targeted dissemination of guidelines.</p>	<p>Partner 3 are also further user-testing the decision aids prototype in real clinical encounters and will soon start testing it with lung cancer patients. Workshops about the top layer and the decision aids prototype will be delivered during next month's G-I-N conference.</p>
<p>On 20 – 23 August 2014 the Guidelines International Network (G-I-N) Conference takes place at the Melbourne Convention and Exhibition Centre, Australia.</p> <p>The July 2014 G-I-N newsletter includes a piece on DECIDE's GET IT glossary. The newsletter can be downloaded from here: <a href="http://www.g-i-n.net/newsletter/july-2014">http://www.g-i-n.net/newsletter/july-2014</a> (see page 9 of the newsletter)</p> <p>DECIDE Work Packages 1-5 are drafting 5 articles to disseminate the Evidence to Decision (EtD) frameworks. The plan is to have these submitted during November 2014. Guidance for users of the EtD frameworks has also been drafted.</p> <p>Sant Pau Biomedical Research Institute (project partner 3) has been running a randomised controlled trial (RCT) using clickers to evaluate the top layer presentation.</p>	<p>The Scottish Dental Clinical Effectiveness Programme (SDCEP) has recently published new guidance on managing periodontal disease called "Prevention and Treatment of Periodontal Diseases in Primary Care". SDCEP has produced two short leaflets for patients and the public, both of which have incorporated some strategies from DECIDE's Work Package 3 for how to present recommendations to the public. The leaflets can be downloaded from: <a href="http://www.sdcep.org.uk/index.aspx?o=3247">http://www.sdcep.org.uk/index.aspx?o=3247</a></p> <p>A DECIDE publication linked to Work Package 3 entitled "Patient and public attitudes to and awareness of clinical practice guidelines: a systematic review with thematic and narrative syntheses" has been published in BMC Health Services Research and is available via: <a href="http://www.biomedcentral.com/1472-6963/14/321">http://www.biomedcentral.com/1472-6963/14/321</a></p> <p>DECIDE aims to regularly promote and disseminate its work to a wide audience. If you would like more information please let us know.</p>
