

Project Aim

To Improve the dissemination of evidence – based recommendations by building on the work of the GRADE Working Group to develop and evaluate methods that address the targeted dissemination of guidelines.

News

WP1, WP2, WP3, WP5: Pablo Alonso, Laura Amato, Marina Davoli, Andy Oxman and Shaun Treweek took part in a one-day meeting hosted by Marica Ferri at the European Monitoring Centre for Drugs and Drug Addiction (EMCDDA), Lisbon, to discuss how DECIDE can help them improve the way EMCDDA present information in their Best Practice Portal.

WP2: Elena Parmelli, Laura Amato, Carlo Saitto and Marina Davoli had an article about DECIDE published - DECIDE: uno strumento per rendere trasparenti i criteri utilizzati per le decisioni in sanità. *Recenti Progressi In Medicina* 2013; 104: 522-527

WP3 held a workshop on 'confidence' at the Cochrane Colloquium, Quebec, 2013. Sabine van der Veer from European Renal Best Practice visited Aberdeen to talk to Shaun Treweek about using DECIDE WP3 strategies in their guideline for people considering kidney donation to a relative.

News

WP5: Andy Oxman presented the EtR framework at the Conference on National Clinical Guidelines in Copenhagen
<http://eventuallypayment.dk/program/>.

Simon Lewin and Claire Glenton have introduced the EtR framework for use in the WHO guideline process on task shifting for abortion care. WP5 user testing of the interactive Summary of Findings table (iSOF) is being carried out with policy makers from different levels within the health system in Norway.

DECIDE International Conference

Our International Conference will take place 2nd – 4th June 2014 at the Royal College of Physicians in Edinburgh.

Please check the DECIDE website regularly for updates. There is also a Twitter account dedicated to the DECIDE International Conference: @decide_2014

Invitations will be sent out very soon and speakers are being confirmed.

Management Timeline - 2013
